Key	
Grey	University block teaching
Mustard	One day a week teaching
Brown	30 hours a week clinical placement
Purple	One day a week teaching
Green	Clinical Placement

Please note - ARC will reject all shifts worked on planned university days. If you need to work on a planned university day you need to discuss this with your tutor and the placements team before submitting your timesheet.

Students are advised to avoid taking annual leave during away placements or on University teaching days. Students are expected to be available for assessment during the published examination periods, including the reassessment periods.
