## SPRING INTO THE SUMMER TERM WITH UoG

Whether it's HE fairs, preparing personal statements or subject taster sessions, this term brings plenty of opportunities to inspire your students about higher education and support those making their transition to university.

The team still have availability this term but are also taking bookings for September onwards. All events and activities are FREE and are usually available for individual and group bookings.

## CONNECT TO HIGHER EDUCATION DAY

**Oxstalls Campus - Gloucester & Park Campus - Cheltenham.  
Friday 12 June 26, 10am -2:30pm (flexible arrival and leave times to suit)  
Bring your whole Year 12/ Level 3 cohort and let them design their day.**

Support your students to discover their higher education course options, explore pathways, and understand the steps they need to take to achieve their career aspirations. Students build their own personalised timetable from sessions that best support their interests and progression needs, including:

- Campus tours with Student Ambassadors
- University information sessions - university essentials, personal statements, choosing your university and course, affording university life
- Student Life Talks and live Q&A sessions with Student Ambassadors
- Subject tasters and hands-on workshops with academic staff

An open-day style experience that inspires confidence, sparks curiosity, and helps students connect with higher education in a way that feels relevant and meaningful to them.
