Re: Consent to use parental funds for a UK Student visa application

I, [parent's full name], confirm that I am the [mother/father] of [student's full name], date of birth [student's date of birth dd/mm/yyyy], passport number [student's passport number].

I confirm that the funds held in my [current/savings/deposit] account with [name of bank], account number [account number], are available for my [son/daughter] to use towards the costs of their studies at the University of Gloucestershire in the UK.

I give my full consent for [student's full name] to use the funds shown in the financial evidence provided with their Student visa application, to meet the relevant UK Student visa financial requirements, including tuition fees and living costs where applicable.

I confirm that these funds are available to [student's full name] for this purpose.

Yours faithfully

[Signature]

[Parent's full name]

[Parent's date of birth dd/mm/yyyy]

[Parent's full residential address]

[Parent's telephone number]

[Parent's email address]

You should also provide:

- Financial evidence showing the required funds are held in your parent's account
- Evidence confirming your relationship to your parent, such as your birth certificate
- An official translation if any document is not in English

The financial evidence must also meet all other Student visa financial requirements, including the relevant rules regarding the amount of money held and how long it has been held.

This is an example template only. You should ensure that your details accurately reflect your own circumstances and meet the current UKVI requirements at the time you apply.
